

Hot Rod Daycare

3-Year Limited Warranty

Version 1.1 – November 2025

“We’re not just a garage — we’re a playground for cars.”

Winfield, Kansas • sales@hotroddaycare.com

1. Warranty Coverage

Hot Rod Daycare warrants the relay board assembly — including the printed circuit board, solder joints, wiring, and fuse holders — against defects in materials and workmanship for three (3) years from the original purchase date.

Relays and fuses included with the product are courtesy components provided for convenience and are not covered under this warranty.

This warranty applies only to products used under normal conditions in 12–14.5V DC automotive systems.

2. What’s Covered

- Defects in PCB materials, soldering, or assembly workmanship.
- Failure of internal board traces, wiring, or fuse holders under rated use.
- LED fuse indicator malfunction when properly fused and installed.

3. What’s Not Covered

- Relays, fuses, or other removable components.
- Damage from incorrect installation, overcurrent, or short circuits.
- Exposure to moisture, vibration, or chemicals.
- Modification or tampering with the board.
- Use outside rated electrical specifications.

4. Warranty Claims

1. Contact sales@hotroddaycare.com.
2. Include proof of purchase, serial number (if applicable), and issue details.
3. Approved claims may result in repair, replacement, or store credit at Hot Rod Daycare's discretion.

5. Limitations

This warranty is limited to repair or replacement of the product only.

Hot Rod Daycare is not liable for labor, installation costs, or incidental damages.
